WATER RATE SCHEDULE

LOAN SERVICE FEE

A monthly Loan Service Fee of \$5.00 is assessed **for every tap** in the Navajo Western Water Enterprise. This Fee is assessed every month, regardless of the amount of water used. It is used to fund the payback of a State Loan and is a condition of the Loan.

MINIMUM

A **\$45.00 Base Fee** will be assessed for all metered customers regardless of usage. Base Fee includes 100 gallons of water. A **\$10.00 Fee** will be assessed for properties meeting the strict abandoned meter criteria or properties with taps only.

WATER USAGE RATE

Gallons Used:	Rate	Loan Service Fee
0-100:	Base Fee = \$ 45.00	+ \$ 5.00
101-2,000:	Base Fee + \$5.00 /1000 gallons or .005/gal	+ \$ 5.00
2,001-5,000:	Base Fee + \$5.50 /1000 gallons or .0055/gal	+ \$ 5.00
5,001-6500:	Base Fee + \$6.00 /1000 gallons or .006/gal	+ \$ 5.00
6501 and up :	Base Fee + \$15.00/1000 gallons or .0150/gal PLUS \$250.00 Overage Fee	+ \$ 5.00

NOTE: The Augmentation Plan mandated by the State of Colorado requires the Navajo Western Water Enterprise to strictly enforce the in-house water rules. No outside watering is allowed for any reason **including** lawns, gardens, car washing, etc. Violation of this ruling can lead to fines or even water shutoff. If the District does not enforce this ruling, State has the authority to shut down water supply to entire area.
